Needs Assessment:

All Physicians and Allied Health Professionals who attended the 20th Annual Meeting of the IAMA in Secaucus, NJ were asked to suggest topics for this year’s meeting. The suggested topics were relevant to the interests of the membership and of high scientific quality.

Educational Objectives:

This program is designed for the practicing physician and dentist. It is meant to provide an update in the various disciplines of medicine with application to daily practice, and to enhance the knowledge of the participant in these areas. The program is intended to meet the needs of physicians, dentists and other allied health professionals in clinical practice for up to date information - the latest innovations and knowledge of medicine and to provide a means for clinicians and researchers to report the results of their research.

Course Sponsor

International College of Surgeons - United States Section.
An ACCME Accredited Provider

Target Audience:

This course is intended for all primary care providers, medical subspecialists, surgeons, dentists, and other allied health professionals.

Accreditation:

The International College of Surgeons-United States Section is Accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor Continuing Medical Education for physicians.

Designation Statement:

The International College of Surgeons-United States Section designates this live activity for a maximum of 8 AMA PRA Category 1 Credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
